#### ***Listening Session for Laity and Clergy: From Rev. Brenda Leigey:***

**Listening Session for Laity and Clergy:** From Rev. Brenda Leigey: As we live into our vision in the State College District to Encourage, Equip, Empower, Everyone to Reach, Teach and Serve we need your input! Many of our churches have discovered during Mission InSite studies, we often make assumptions about how to best serve our communities without asking first! As the District is formulating strategic plans for the future, we don't want to assume we know what our clergy and your churches need. We want to listen to you in order to plan how we can best serve you and help you in your mission. This is your opportunity to offer input and help strategically plan for the future as together we strive to effectively make disciples of Jesus Christ for the transformation of lives and the world. Your Conference Superintendent, the District Leadership Team and District Lay Ministry Team will use your responses to strategically plan for best practices for supporting, equipping, and resourcing our clergy and churches. Park Forest Village UMC is hosting the State College/Penns Valley Listening Session **on Tuesday, June 28th at 6:30pm. Please consider attending...**
